Our purpose at Trinity Christian School, together with church and family, is to provide Christ centered learning experiences. We will strive to provide for the students' spiritual, moral, social, physical, emotional, and intellectual growth.

In order to promote our purpose within the broader community for the 2010-2011 school year, we are offering families a Finders Credit. If you refer a new **Preschool** family, one who hasn't previously been enrolled at Trinity Christian School and they register as well as attend **Preschool** for the upcoming school year, your family will receive **\$200 credit** toward your tuition at the end of the year. Full details are available in the office if you have any questions. Happy Recruiting!
