

Dear 4th and 5th grade students,

Hello! I'm Mr. Bonach and I will be teaching 4th and 5th grade next fall. I am very excited for the school year to get started and to be teaching the older grades. I am looking forward to having you in class this year. I would like to take the time to tell you a little bit about myself. Last year I taught downstairs across from the specials room teaching 1st grade. Outside of teaching, I like to spend time with my wife Megan and our dog Milky Way and the rest of my family. Many of you know that Megan and I got married last school year. Some of my interests include spending time at the lake on a hot summer day, rollerblading, walking with my dog, reading, working on projects around our house, listening to my I pod, and grilling dinner and eating outside on nice summer days. I enjoy going to Minnesota Twins games and watching baseball on TV as well.

Now that you know a little bit about me, I would like to get to know a little bit about you. Over the summer months I would like to have you find some pictures of some of the things that you like to do whether it is in magazines, pictures from the internet or newspaper. I would like you to create a collage on a type of poster board or construction paper of the things that you like to do so that we can share them the first week of school. I look forward to learning a little bit about you in the first week of school.

Enjoy the rest of summer and remember Parent/Child Orientation is at 6:30 on September 3rd!

Mr. Bonach
